The late Mark McGhee owned and operated McGhee Heating and Cooling in Mt Olive, IL for many years. They had service trucks well equipped with plenty of inventory, along with a lot of inventory in the warehouse. The executor has hired us to liquidate the entire inventory, tools & equipment, along with the contents of the buildings and storage that Mark had. There will be multiple online auctions as well as a final live onsite auction closing out the remaining items -such as vehicles, CNC machine, Brakes, Welders and many Milwaukee tools! Stay updated on each auction at www.mollettauctions.com. Thanks! Wayne & Adam
