AUCTIONEERS NOTES: Mark McGhee had a very extensive tool collection as he operated 3 service trucks for his HVAC business. Every service truck and shop had every tool needed to get the job done. Many cordless Milwaukee brand tools along with Ridgid and other name brand tools. The service trucks and shop were equipped with many parts and components on board, not all of these are in this auction as this is the final online only auction there will be. On Jan 10th starting a 9:00 AM a Live Auction with some of the larger items being sold live and online will occur. There will be a lot of raw steel including, angle, channel, and box tubing along with 8 to 10 titled vehicles. Forklifts, manlifts, trailers, complete Mini split units, AC units, a few dirt bikes plus 1984 complete Z28 Camaro with updated LS engine/transmission and digital dashboard, service trucks and more. Multiple rings will be sold that day so bring a friend along. Lunch stand and restrooms provided, some of the items will be inside buildings. There will be heat in buildings to keep warm. See www.mollettauctions.com for more info!

TERMS & CONDITIONS: A 4% surcharge will be added to the amount of the purchase and will be charged to your credit card upon settlement of purchases along with a 10% buyers premium immediately following the close of the auction. Buyers who wish to pay in cash or by check (Prior arrangements need to be made before auction closes or by adding to your notes at the registration of this sale) upon pickup will have no surcharge but will still be charged a 10% buyer's premium. Items not picked up in 7days or if arrangements have not been made those items WILL BE DISPOSED OF OR RESOLD BY MOLLETT AUCTION SERVICE (original buyer of these items will have no right to the proceeds of said items)
